Milano

Milano is an upholstery textile in the Textaafoam Timeless Collection, representing our essentials: fabrics with a timeless and lasting character that suit every style, all year round.

Inspired by the atmosphere of Milan, Milano is designed to bring a sense of structure and design to any interior. Jacquard woven with a coarse texture, dry handfeel and architectural rhythm, it is a fabric with strong character and enduring appeal.

The warm, natural colour palette enhances its versatility, making it easy to combine with both modern and classic furniture.

This high-quality upholstery textile is suitable for all types of furniture, including fitted, buttoned and loose upholstery. Ideal for sofas, chairs and beds.

- We recommend to wash the cover inside out and immediately place the cover back to the piece of furniture, slightly damp, after washing.
